OUR STAFF

Counselors

Camp Counselors are selected through a competitive application process. Counselors receive CPR, First Aid, and child development training. Most of our counselors are students interested in youth development.

Junior Leaders

The Jr. Leader program is for students in ages 13-16. They intern for the summer once completing an intensive two week training program. They are generally students interested in community service and working with children. Jr. Leaders serve as role models and assist campers with daily activities.

Administrators

Our camp administrators have extensive experience working with children as well as advanced training in child development.

PROGRAM REQUIREMENTS

Clothing

Children must wear comfortable play clothes, socks and (closed) athletic shoes. For your child's safety, NO clogs, sandals, Heelys, boots, or high heels are allowed. Sandals, flip-flops and water shoes are allowed in addition to closed athletic shoes on Water Fun Days. Also please don't bring or wear anything of value such as expensive clothes or jewelry.

Camp Activities

We offer a variety of indoor and outdoor games, activities and arts and crafts. We also have guest speakers and field trips. The program fee covers all costs including field trips. Each child is assigned to a group based on his/her current school grade. Younger children are in groups of 15 - 18 and older children are in groups of 17 - 25. We recommend campers be in camp by 9am in order to experience the full camp program. If you plan on bringing your child later please call your park by 9:30 to notify them.

Food and Water

Children need to bring a lunch, and two snacks each day. Heating or refrigeration of lunches are not available. Free breakfast and lunch are offered at qualified sites. Call the park for more information. We recommend children bring a refillable bottle of water each day. Please make sure you label the bottle with your child's name.

Don't Bring

Toys and electronics should NOT be brought to camp. We have found that these items are easily lost or damaged, and often cause conflicts between children.

Electronic toys such as Nintendo switch, cell phones, tablets, or laptops may not be brought to camp. Smart Watches must be used appropriately and not be a distraction from normal camp activities. We prefer all communications between campers and parents to be through Park Phones so that we can better serve you.

Permission Forms

- Once the bus leaves the loading zone, no additional campers will be allowed to board the bus.

- Campers should wear camp t-shirts on (non-water) field trips to help us identify our campers.

Spending Money

- No money is needed; it is up to each camp site if they will allow purchases.
- Staff cannot hold or safeguard money for campers.
- Money should be in a wallet or Ziploc bag and kept with the camper in pockets, shoes, socks, etc.

Swim Testing For Pool Safety

- Children wishing to use the large pools without a life jacket must pass a swim test where they tread water and swim across the short side of the pool (25 ft.) in 6 ft. of water.
- Color coded bracelets will be worn at the pool to indicate which parts of the Aquatic Complex the child can safely use.
- At all Collier County Aquatic Facilities children must be at least 48" tall to use the slides.

THEMES AND ACTIVITIES

We offer a variety of indoor and outdoor activities each day. Children are encouraged but never required to participate in activities. Children are required to remain with their group. Children may always choose to read if they don't wish to participate in a particular activity. They may choose from the parks selection of books or bring their own. Children participate in hands-on arts and crafts programs each week. In addition to theme activities, field trips may be scheduled weeks 2 - 8. A detailed field trip schedule will be available the first day of camp.

ADDITIONAL ACTIVITIES

Movie Policy

Elementary Camps - Shows G-Rated movies and appropriate PG-Rated Movies.

Middle School Camps - Shows PG-Rated and appropriate PG-13 Movies.

Treats

From time to time, campers are given treats such as snow cones, candy, popcorn, ice cream etc. The serving size is generally small. If you don't want your child to have any or all of these substances, please let us know. You may want to consider bringing treats for your child so he/she does not feel left out.

CAMP COLLIER DISCIPLINE POLICY

We view discipline issues as opportunities to help children learn and practice self control and concern for others.

Most discipline issues are minor and easily resolved when parent, child and park staff work together. If your child is having a difficult day, we will call you and ask you to speak with your child. We have found that touching base with Mom or Dad really helps a child.

We will take the following discipline actions when camp rules are not followed:

- 1st Verbal warning
- 2nd Redirection / alternative activities if appropriate
- 3rd Second verbal warning/counsel camper
- 4th Take a break and/or loss of privileges
- 5th Supervisor counsels camper
- 6th Parent contacted and/or discipline action report
- 7th Parent notified to pick up camper immediately

Additional Corrective Actions

- 1st Infraction - 1 day suspension
- 2nd Infraction - Multiple days suspension and meet with parent(s) / care giver(s) to develop an action plan
- 3rd Infraction - Suspension from program

Camp Collier has a zero tolerance policy for hitting, fighting, teasing, bullying, name-calling, profanity, discriminatory language, and damage to property.

Serious infractions may result in immediate suspension or termination from the program. Final decisions will be made by Park Management.

Behavior which may result in immediate program suspension or termination includes:

- Fighting
- Intentionally threatening/hurting others
- Stealing
- Leaving group without authorization
- Property damage
- Actions prohibited by law

HEALTH & MEDICINE

Sunscreen Policy

Parents are strongly encouraged to apply sunscreen in the morning before dropping their children off at camp. To ensure that your child is protected from the sun, we also ask you to please bring a container of sunscreen/block labeled with your child's full name to camp. Initialing sunscreen section in the parent packet gives permission to help assist the child in applying sunscreen.

Sick Children

Collier County does not have necessary provisions for caring for sick children at camp. Please keep all children home if they are experiencing any of the symptoms or illnesses below:

- Severe Coughing
- Fever
- Yellow or green runny nose

- Diarrhea or repeated vomiting
- Undiagnosed rash, Measles, or Chicken Pox

Head Lice

Please encourage your child NOT to share hats, hair brushes, hair clips, etc. We recommend that campers with long hair wear it up. Some evidence suggests that applying hair mousse to hair affords some protection.
